

# A PORTFOLIO DESIGNED TO MANAGE VOLATILITY (AND YOUR STRESS).

## INVESTORS RULE

### Schwab Managed Portfolios™—ETFs:

- In a single step, your money is broadly diversified to help manage volatility and reduce stress in today's complex markets.
- After discussing your investment goals to determine if Schwab Managed Portfolios™—ETFs is right for you, we'll help you choose 1 of 6 ETF portfolio profiles that matches your needs.
- Your investment is spread across as many as 24 ETFs, representing up to 19 asset classes and literally thousands of individual securities.
- Portfolios are professionally monitored, adjusted to take advantage of market opportunities and rebalanced periodically to help keep your money on track.
- All for less than the average cost of a mutual fund.

Investors should consider carefully information contained in the prospectus, including investment objectives, risks, charges and expenses. You can request a prospectus by calling 1-800-435-4000 or by visiting schwab.com. Please read the prospectus carefully before investing.

Some specialized exchange-traded funds can be subject to additional market risks. Investment returns will fluctuate and are subject to market volatility, so that an investor's shares, when redeemed or sold, may be worth more or less than their original cost. Diversification strategies do not assure a profit and do not protect against losses in declining markets. Please read Schwab's Disclosure Brochure for important information and disclosures relating to Schwab Managed Portfolios.
